

TAKE OUT

focaccia. sandwiches

Ah yes, out now famous focaccia sandwiches! The now ubiquitous presence of focaccia is seen nationwide. We created the concept for the focaccia sandwich in 1992. We started as a small sandwich shop and take-out market in Sag Harbor so many years ago. Our homemade, hand-formed, made-fresh-daily focaccia bread is sold by itself as well as into our double-portion sandwiches. Sandwiches are served with a side of our amazing (also famous) homemade house dressing. Here are a few of our best sellers but feel free to express your creative sandwich imagination. We are happy to make it. Ask for a quote.
