# focaccia. sandwiches

The now ubiquitous presence of focaccia is seen nationwide. We created the concept for the focaccia sandwich in 1992. We started as a small sandwich shop and take-out market in Sag Harbor so many years ago. Our homemade, hand-formed, made-fresh-daily focaccia bread is sold by itself as well as into our double-portion sandwiches. Served with a side of our amazing (also famous) homemade house dressing. Here are a few of our best sellers but feel free to express your creative sandwich imagination. We are happy to make it. Ask for a quote.
